## FILM EXPERIENCE

### *City Bird – 2023*

Documentary film about pigeons. Responsible for all sound elements: location sound recording/sound design &. Official Selection for the Toronto Lift-Off Festival 2023, Student World Impact Film Festival 2023, the Toronto Short Film Festival and the HECare Film Festival. Nominated for Best Super Short film at SWIFF.

### *Humber BFMP Program 2024 Capstone Showcase – 2024*

Captions Supervisor on 7 films for the program; responsible for copy-editing, formatting, and coordinating with editors on delivery specs as required by the theatre.

### *Dollar War – 2024*

Student narrative short. Location manager; responsible for location scouts, securing locations with necessary permits, and aiding in securing the set during shooting.

### *Until I Find You – Hasta Encontrata – 2024*

Student narrative short & art installation. Boom operator.

### *Silence – 2024*

Student narrative short. In charge of food & craft services: I helped hire catering, purchased craft service, and handled logistics with caterer during shooting.

### *Kismet Numbers – 2024*

Captioner for Youtube web series.

### *See No Evil - 2021*

Student narrative short. Handled all post-production elements; worked as picture editor, sound editor, and colour grader. On set, was script supervisor.

### *Apartment 23 – 2021*

Student narrative short. On-set sound recordist & boom operator.

### *Nice Seeing You Again – 2021*

Student narrative short. Writer, director, and sound editor.

### *Strike – 2020*

Handled all post-production elements: picture/sound editing, colour grading & final export. Official selection for the All-American High School Film Festival 2020.

## EMPLOYMENT EXPERIENCE

### *Fresh Avenue*

2021-2024

Cashier, stocking, cleaning customer service, and other roles at a small independent grocery store.

### *Internship Role - At Humber College*

2023

Helped design promotional campaigns for Humber services and events. Worked on graphic design & copy for posters.

## EDUCATION

### *Humber College - Bachelor Of Film & Media Production*

Graduated April 2024

Recently graduated from the program, I have experience with all levels of production, primarily in post-production, especially with picture and sound editing. I have worked in Avid Media Composer, Avid Pro Tools, Adobe Premiere Pro, Adobe Audition, Adobe After Effects, Da Vinci Resolve, Canva, and MovieMagic Scheduler. I have on-set experience in multiple roles. I have taken a course on virtual production, including Unreal Engine & Volume screens.
